

The 2017 Youth Ocean Conservation Film Competition

2017 Youth Ocean Conservation Film Competition

Are you an aspiring filmmaker? Is there an ocean conservation issue that you want to share with others? All students in grades preschool-college are invited to take part in the 2017 Youth Ocean Conservation Film Competition!

This competition provides you with the chance to highlight an ocean conservation issue that's relevant in your home town, create a short video to raise awareness about a conservation project, or film a public service announcement encouraging people to protect our planet's ocean. The possibilities are endless – just use your creativity!

Winning films will be screened as part of the 2017 Community Ocean Conservation Film Festival, which will be held on December 8 at Mote Marine Laboratory in Sarasota, FL. Winners will also receive exciting prizes!

Visit www.yocs.org to download the contest rules and video submission instructions! Deadline for video submissions is October 31, 2017. Good luck!

Empowering the Next Generation of Ocean Conservationists!
